The Mississippi Department of Public Safety also reserves the right to move to the next best proposer if negotiations do not lead to a final contract with the best proposer.
21. **ACCESS TO RECORDS/CONFIDENTIALITY**  
The Broker recognizes that during the course of this RFP process, it may have access to certain confidential and proprietary information pertaining to the business of the Mississippi Department of Public Safety and its employees. By submission of a proposal, the proposer agrees that all medical, financial and personal information reviewed and collected in connection with this RFP process, regarding individual employees shall be held in strict confidence and shall not be released, disclosed or published by the Broker without the written consent of the Mississippi Department of Public Safety, or as required by law. Except as may otherwise be required by law, the Broker may not release any information or reports relative to the Mississippi Department of Public Safety, without a prior written authorization by the Mississippi Department of Public Safety. The Broker agrees that it will not, at any time, directly or indirectly disclose such confidential

or proprietary information to any other person or organization for any purpose except as may be required by law or as reasonable related to the services being provided by the Broker pursuant to this RFP, without the express, written approval of the Mississippi Department of Public Safety.

22. **MARKET CONTACT/BLOCK**

This RFP is NOT an authorization for brokers/agents to contact any insurance markets on behalf of the Mississippi Department of Public Safety. Accordingly, NO agent, broker or other firm is authorized to block any insurance market for any current or proposed insurance coverage for the Mississippi Department of Public Safety.

23. **E-PAYMENT**

Offeror agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," Mississippi Code Annotated §31-7-301, which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice.

24. **DEBRIEFING REQUEST**

A bidder, successful or unsuccessful, may request a post-award debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the Commissioner of Public Safety and a copy submitted to the Procurement Division of the MS Department of Public Safety within three business days of notification of the contract award. A post-award debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within five business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify the Commissioner of Public Safety in writing and identify its attorney by name, address, and telephone number. The MS Department of Public Safety will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General or a Representative of the MS Department of Public Safety's Legal Division can be present.

Unless good cause exists for delay, the debriefing should occur within five (5) business days after receipt of the vendor request and may be conducted during a face-to-face meeting, by telephonic or video conference, or by any other method acceptable to MS Department of Public Safety.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-114 through 7-114.07, Post-Award Vendor Debriefing, of the Mississippi Personal Service Contract Review Board's Rules and Regulations.
